

**Product Name: STAT5 (10V11) Rabbit Monoclonal Antibody**  
**Catalog #: AMRe18359**

---

## Summary

|                        |                                          |
|------------------------|------------------------------------------|
| <b>Production Name</b> | STAT5 (10V11) Rabbit Monoclonal Antibody |
| <b>Description</b>     | Rabbit Monoclonal Antibody               |
| <b>Host</b>            | Rabbit                                   |
| <b>Application</b>     | WB                                       |
| <b>Reactivity</b>      | Human,Mouse,Rat                          |

## Performance

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| <b>Conjugation</b>  | Unconjugated                                                                                                 |
| <b>Modification</b> | Unmodified                                                                                                   |
| <b>Isotype</b>      | IgG                                                                                                          |
| <b>Clonality</b>    | Monoclonal                                                                                                   |
| <b>Form</b>         | Liquid                                                                                                       |
| <b>Storage</b>      | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.                     |
| <b>Buffer</b>       | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% BSA. |
| <b>Purification</b> | Affinity purification                                                                                        |

## Immunogen

|                          |                                            |
|--------------------------|--------------------------------------------|
| <b>Gene Name</b>         | Stat5A                                     |
| <b>Alternative Names</b> |                                            |
| <b>Gene ID</b>           | 20850.0                                    |
| <b>SwissProt ID</b>      | P42230.Recombinant protein of human STAT5A |

## Application

|                         |            |
|-------------------------|------------|
| <b>Dilution Ratio</b>   | WB: 1:1000 |
| <b>Molecular Weight</b> | 90kDa      |

## Background

---

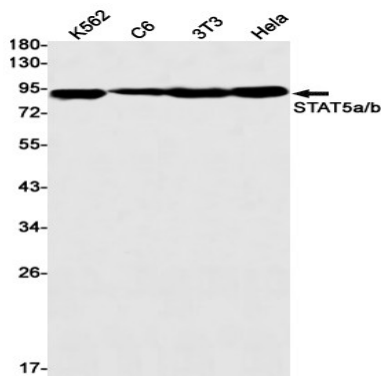

**Product Name: STAT5 (10V11) Rabbit Monoclonal Antibody**  
**Catalog #: AMRe18359**

---

## Research Area

## Image Data

Western blot detection of STAT5a/b in K562,C6,3T3,HeLa cell lysates using STAT5a/b antibody(1:1000 diluted).

## Note

For research use only.
