

**Product Name: Recombinant Human CENPP Protein**  
**Catalog #: PEH3213**

## Summary

|                              |                                                                                                                                                                                                                                  |
|------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Name</b>                  | CENPP_HUMAN                                                                                                                                                                                                                      |
| <b>Purity</b>                | Greater than 85% as determined by reducing SDS-PAGE                                                                                                                                                                              |
| <b>Endotoxin level</b>       | Please contact with the lab for this information                                                                                                                                                                                 |
| <b>Tag</b>                   | C-His                                                                                                                                                                                                                            |
| <b>Accession #</b>           | Q6IPU0                                                                                                                                                                                                                           |
| <b>Host</b>                  | E.coli                                                                                                                                                                                                                           |
| <b>Species</b>               | Human                                                                                                                                                                                                                            |
| <b>Molecular Mass</b>        | 25 kDa                                                                                                                                                                                                                           |
| <b>Buffer</b>                | Phosphate buffered saline                                                                                                                                                                                                        |
| <b>Shipping</b>              | The product is shipped on dry ice/polar packs. Upon receipt, store it immediately at the temperature listed below.                                                                                                               |
| <b>Stability&amp;Storage</b> | Store at $\leq -70^{\circ}\text{C}$ , stable for 6 months after receipt. Store at $\leq -70^{\circ}\text{C}$ , stable for 3 months under sterile conditions after opening. Please minimize freeze-thaw cycles.                   |

## image

## Background

**Alternative Names** Centromere protein P (CENP-P)

## Note

For Research Use Only , Not for Diagnostic Use

**Product Name: Recombinant Human CENPP Protein**  
**Catalog #: PEH3213**

---
